DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

2. Claims 1-21 are rejected under 35 U.S.C. 102(e) as being anticipated by Stamos et al (US Pat. 6,906,914).

Regarding claims 1-21, Stamos et al disclose an array storage system comprising a multiple disc assembly 34 with a carrier from a plurality of different carriers differentiated by a characteristic array of tubular closed channels (see figure 4A), each channel adapted for supportingly engaging a data storage device. A multiple disc array comprising: a partition with channel surfaces defining a passage (28); a circuit board 42 disposed in a plane substantially orthogonal to the passage and supported by the channel surfaces; and means 44a-44c for urging the data storage device 34 against the circuit board 42 wherein the circuit board 42 is attached to the partition 32 wherein the means 44a-44c for urging is characterized by a fastener for attaching the data storage device 34 to a channel surface.

Art Unit: 2835

3. Regarding method claims 17-21, the structure as mentioned above can perform the method claims.

Response to Amendment

4. Applicant's arguments with respect to claims 1-21 has been considered but is moot in view of the new ground(s) of rejection.

Conclusion

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
